WE'RE BACK...

The Make Your Mark Awards are back in 2022!

We originally launched the Make Your Mark Awards in 2014, when Tekmar Energy was crowned the inaugural Aycliffe Company of the Year.

Since then, we've seen Finley Structures, PWS and Stiller Warehousing and Distribution pick up the major awards, as well as several big names and smaller businesses recognised with well-deserved awards over recent years.

Of course, Covid put paid to our continued celebrations.

But we can't wait to get back with a bang – and celebrate all of the amazing companies, large and small, on Aycliffe Business Park with this prestigious black-tie event.

With Redworth Hall Hotel providing the stunning backdrop, Make Your Mark 2022 will bring together just some of Aycliffe's big names, high achievers and hidden gems of the last 12 months, as well as unearthing some of our up-and-coming small businesses.
